† The Collect for the Thursday of Easter Week fills several categories: originally 3 after Easter, it was heavily modified in 79 and made the Collect for the Thursday in Easter Week. Its current form reflects a hybrid of the original classical form (opening invocation) and the revision of 79 (final petition, though a similar idea as the classical form), but it remains assigned to Easter Thursday. It is therefore a (partial) [restoration of an old collect](#), a new placement for an old collect, and a [continuation of the 1979 order](#) all in one.

‡ Easter 3 (ACNA) is the same as Easter 2 (classical BCPs) because of the different way the Sundays after Easter are counted. The ACNA counts them as Sundays OF Easter, Easter 2 being the Sunday after Easter. Classical BCPs count them as Sundays AFTER Easter, Easter 1 being the Sunday after Easter.
