Visitors:

Kimberly More raised a concern about the need for more donations for the flower guild. It was addressed by noting that the church has a budget item for the weeks that there aren't any donations. There was also discussion about a plastic bouquet for the times when we can't get the flowers assembled on time.

Rector's Report:

Davenant Institute:

Arnn has agreed to be on the Board of Visitors. Using Koch's Hillsdale St. house for the students as a protestant hangout, study space, potential for Davenant to buy. Right now Koch is the president and director of operations.

ACNA: Say a prayer for the ACNA and Bishop Dobbs. Going down to Charleston this week.

Hillsdale St. House: We are going to sell it. Right now, we are going to let the church use it for gatherings, etc. Have some people live upstairs like the Lindauers or some postulants. The downstairs could have a library, kitchen, reading room etc. Put it back on the market in the spring. It can be like a church mission.

Old Business:

Service times: The services seemed balanced. The fellowship between services seemed to be a nice mix.

Gift of office at Rough Draft: We are renting the space, which is being covered by a donor every month. We do have a need for it. **Bassett:** I motion to accept the gift. **Timmis:** Second. **Unanimous pass.**

Financial Report:

Regan: We are in the black for the year. We brought less in but spent less. There is a bill for the lawn.

Wendy: That was an outstanding bill that we just happened to pay this month.

From the Executive Session:

Gregg: Motion to formally recognize the service of Renee Young and Jeremiah Regan. **Timmis** seconded. Passed unanimously.
